# HI-GENIC H4

## ALL OVER WASHROOM CLEANER

### DESCRIPTION

**HI-GENIC** is a viscous blue liquid with a pleasant citrus fragrance. HI-GENIC is a highly concentrated all natural acid based cleaner for use as a cleaner and scale remover in bathrooms and toilets.

### APPLICATION

HI-GENIC can be used safely on a wide variety of surfaces including stainless steel and porcelain toilet bowls, urinals and stone benchtops. HI-GENIC incorporates a blend of "natural" organic acids and wetting agents combined with a specially formulated thixotropic agent. The acidic detergency provides a rapid penetration and dissolution of lime scale deposits, uric acid deposits and stains, whilst the thixotropic characteristics ensure that the thickened liquid has an extended contact time by "sticking" to all vertical surfaces.
