

RISK ASSESSMENT FORM

Auditor: B.Mitchell

Date: 03/07/13

Product: SPRAY ' N ' WIPE – H6

Classification

Dangerous Goods		Worksafe	
Class: N/A	UN #: N/A	Hazardous: NO	Hazard Classification: N/A

POTENTIAL HAZARDS

The SDS identifies that the product is mildly irritating to the eyes. It is also irritating to the skin, respiratory system and to the gastrointestinal system. Repeated or prolonged skin exposure may cause dermatitis. Spray mists are mildly irritating to the respiratory system. Ingestion of large amounts may cause headache, dizziness, dullness, gastric disorders and central nervous system depression. Excessive inhalation of spray mists may result in respiratory tract irritation. Prolonged or chronic exposure may cause headaches and central nervous system depression.

PROBABILITY OF RISK

LOW

MEDIUM

HIGH

CONTROL MEASURES

<u>PPE</u>	Not required under normal conditions of use. Wear gloves and chemical goggles if handling large amounts and if splashing is likely to occur. Wear an organic vapour respirator if insufficient engineering controls exist to maintain operator exposure below the exposure limits
<u>ENGINEERING</u>	Natural ventilation adequate under normal conditions of use. If using the product in a spray mist form, the ventilation must be capable of limiting exposure to below the exposure standards.
<u>STORAGE</u>	Store in original containers in a clean, dry, cool well ventilated place. Store away from foodstuffs. Keep containers closed when not in use.
